What is a Donor Advised Fund (DAF)?

A Donor Advised Fund is like a "charitable checking account"

The donor opens a DAF and receives the full tax benefit in the year the gift is made. The donor is now able to take his or her time in deciding where and when to advise grants using this money.

A DAF may advise grants for up to two lifetimes, creating a legacy of philanthropy within a family. The investments will grow tax-free for future grants to charitable causes.
