Value of endowed funds:

The bulk of the assets of the Foundation are endowed funds. Endowments are set up and managed with the goal that the principal remain intact in perpetuity. Each year, between 3% and 5% of fund balances are distributed as grants.

Our funds were built through the generosity of donors wanting to meet the needs of our Catholic Community, across geography and across time. We like to say that a family from Ascension parish can help a child go to school at St. Catherine, 100 years from now.

We strengthen our wonderful Catholic Community by developing and managing funds to help address critical needs.
